

St. Ann's Episcopal Church

ST. ANN'S WISH LIST

AS OF DECEMBER 2010

Meeting all of the financial needs of a summer chapel is an unending challenge, and we are often forced to put things off or do without so that we can meet our obligations. Members and friends often inquire as to whether or not there might be some special or emergency need they might fulfill. Current needs are listed below. When you find a bit of extra bounty in your life, we hope that you will review our needs and consider becoming one of our "special angels" who make so many things possible in this community.

To make a contribution to cover all or part of one of these needs, please contact the Administrator, Lisa Bither, at 207-985-4799 or lisa.bither@yahoo.com.

Thank you for your consideration and your help!
